NO MAN WALKS ALONE | APRIL 12 | 9 PM | AVON LAKE CAMPUS

No Man Walks Alone is an impactful night highlighting the significance of unity among men in facing life's challenges, including the prevalent struggle with pornography, purity, and loneliness even within the church community. From the silent struggles to the unspoken burdens, it's time to come together and break the barriers of isolation. Let's ignite conversations, foster support networks, and empower each other to embrace vulnerability and enact positive change. Together, we can redefine masculinity and ensure that no man walks alone. *Open to men aged 16 and above.*
