The Holy Spirit is the One who is making us more and more like Christ. He uses Scripture and everyday life to form Christlikeness in us.

Our job is to cooperate with God's grace at work in our life. One of the ways we can cooperate is by starting each day with the Word of God: **reading, studying, memorizing & praying God's Word.** The Holy Spirit will use the Word of God to release and form the life of Christ in us.

This is how we "*grow in the grace and knowledge of our Lord.*" -2 Peter 3:18.

Slowly and thoughtfully read the passage from God's Word each day. Think about it. Focus especially on the verse marked **Meditating on God's Word.** Then, say and repeat the memory verse several times. By the end of the week, you will have it memorized. Finally, in addition to whatever else you are talking to God about in your prayers each day, also pray through the Scripture you read, turning it into a prayer.
