HYMN SING: SONGS & STORIES | MARCH 16 | 6-8PM | AVON LAKE CAMPUS

Join us for a worship night centered around hymns and the stories that birthed them. This will be an intimate worship night to remember, revisiting some of your old favorite hymns as well as some newly written ones. So many hymns have a rich history behind them, and we want to unpack them together and let their stories minister to us all!

5B EVANGELISM WORKSHOP | MARCH 15 | 9AM-12PM | ELYRIA, ROOM 200

The 5Bs are a core component of the DNA at Open Door. We believe God has called us to introduce others to Jesus, and we accomplish this in the context of relationships. Building relationships, bringing people to church or events, helping them belong and feel connected, leading them to believe in Jesus Christ as their Lord and Savior, and guiding them to become more like Christ and grow in their faith. This class, taught by some of our pastors (Jim Mindling, Clay Wright, John Jacobs, & Jason Russ) is designed to help you better understand our method and give you lots of practical advice and resources on how to live this out in your daily routines!
