

Your Next Step with God's Word
"Can You Hear Me Now?"
Luke 8:16-18

Since how you hear determines how you grow:

1. Pay attention to what you've heard

- What you've heard is a light to guide you
- What you've heard is a light to help others
Learning to H.E.A.R. God's word for ourselves should create a yearning to share God's word with others.
- What you've heard is a light that reveals

2. Pay attention to how you H.E.A.R.

When we hear the Word of God preached or taught, we want to H.E.A.R. with:

Humble Openness
Eager Acceptance
Active Obedience
Retentive Perseverance

3. Pay attention to how you respond

- When you H.E.A.R., you will receive more understanding
- When you don't H.E.A.R., you will lose what you have

Learning to H.E.A.R. is a process, and we'll need God's power and grace.
