

**Your Next Step with God's Word**  
**"Practicing what we preach"**  
**Luke 8:19-21**

We are all **products** of what we **practice**.

**"Doing"** is the activity that pours out of our **identity**.

**Surrender** is the fuel that keeps practice **burning**.

People who practice are:

**Positioned** in His **presence**

And **confident** in His **plans**.

Practice is our **joy**. Not our **job**.

You have been **for-GIVEN**. What have you **done with it?**

**CHRISTlike Characteristic: All of them. \*Do you know what they are?**
